FUNDRAISING DANCE IN MEMORY OF GENE LaFONT PLANNED FOR APRIL 8

The sons of Gene LaFont have planned a fundraising dance in memory of their father as a benefit to our senior center. Gene loved this senior center and he worked hard to see that the center was a success. Gene delivered meals for the center for many, many years. After he had to stop delivering meals he continued to come each day and generously support the center. The center has been blessed by his service and faithfulness.

The benefit dance will be at The Venue in the Town Plaza. The doors will open at 7:00 and a minimum donation of \$5 entry fee will be collected. There will be a cash bar provided. Come and enjoy music, fellowship and dancing as we remember Gene and his service to our center.

SECURE SHREDDING DAY PLANNED FOR MAY 8, 10:00 - 1:00

Due to popular demand, we are planning another Secure Shredding event here at our senior center for Monday, May 8 from 10:00 am to 1:00 pm. We are giving you plenty of time to start purging and cleaning out old documents, bank record, old income tax returns, or any papers that may contain your personal information. Papers that include your birth date or social security number need to be properly disposed of and not thrown into the regular trash.

Start now to clean out your papers and bring them with you to lunch on Monday, May 8.

A VERY SPECIAL AREA NEEDS NEW VOLUNTEERS

The Center depends on memorial gifts and honorarium gifts as a part of its income source for repairs, upkeep and maintenance on this building. For many, many years Doloris Meyr and Lorene Wood have been the Memorial/Honorarium Secretaries. Lorene Wood has decided to retire and give up her volunteer duties in this area. We are looking for someone who can help get the plaques to the jewelers to be engraved and pick them up when they are ready. Also, to work with Doloris Meyr to make sure the acknowledgement cards sent out in a timely manner to the giver and the survivor of the deceased. This may sound complicated, but it really is not... it just takes a little time. Please step up to help your senior center by volunteering today!!!

The second area where we need volunteers is in the assembly of the birthday treat bags for the homebound clients. We will purchase the needed items for the treat bags, but we are looking for a couple of volunteers to help assemble them. There are roughly about 8-12 each month. It isn't hard to do; it just takes a little time.

Please consider any of these little jobs and step up to volunteer today!!!

ON-GOING PROJECTS WHERE YOU CAN STAY INVOLVED

There are several different projects that you can be involved in...

aluminum can recycling, used eye glasses collection, Box Tops for Education collection, items for the boutique to sell... these are just a few areas where you can help others and be involved.

Thank you, in advance, for your participation!

The Senior Center is always in need of your time and resources.
Please remember your Senior Center when making your final arrangements.
