SENIOR CENTER FISCAL YEAR ENDS JUNE 30

Our center's fiscal year ends June 30, and we need your help to finish strong. Our meal count numbers are very important, so invite friends to come and have their lunch with us. More importantly, those who come and enjoy our building for Bridge and other activities, please patronize our program and support what we do to help provide this wonderful building.

Let's fill the dining room each day and pack-the-house so we can finish the year strong.

HEARING AID CLINIC SCHEDULED FOR JUNE 1

Miracle Ear will be here at our Center on Thursday, June 1 from 10-11:30 to check and clean hearing aids. They will also be able to change batteries and perform simple repairs and adjustments.

STAFF VACATIONS DURING THE SUMMER MONTHS

During the summer months there will be times when the center's employees may be off for vacation days. If the Center does need to close early, it will be posted at the front doors, and if we know in advance, it will be in the newsletter. For example, June 21-26 the center will close by 1:30 each day. Thank you for your cooperation.

MENU PATTERN POSTED ON BULLETIN BOARD AND MEAL CONTRIBUTIONS

Did you know every senior center is required to serve a planned and approved menu? The Registered Dietician at Aging Matters makes up our menu for us to follow for 6 months. During that time, we are required to offer what is on the menu, but we can add items as a choice, such as our second entree choice and the chef salads. We do not have to offer those items, but we do offer the choice.

Your \$3 meal contributions toward the actual cost of the \$6.00 meal is vital to the success of this program. You cannot go anywhere else and get a meal like we serve for \$3 with no tax and no tip, and includes dessert and drink. Meal coupons are a great way to always make sure you have the right change and they are so convenient and have no expiration date. "Red Tickets" or meal coupons are available in the office and we are happy to help you with them. Many clients use them and love them... see the office staff to get yours today!

SUPPORT THE FOUNDATION'S ON-GOING FUNDRAISERS

As an important part of income to the Foundation, who maintains and repairs this wonderful building, you can participate and be an active part of a few on-going fundraisers.

Purchasing sodas from the soda cooler, bringing items for the Thursday raffle and purchasing tickets to win other items, bringing aluminum cans for recycling, joining the Buck-A-Month club for ONLY \$1 per month, giving and donating money as memorials when a friend or family member passes away or give an honorarium when a friend or family member has a birthday, anniversary or special event in their life.

It takes a tremendous amount of money to keep this building in good repair. You can take an active part in helping in any or all of these areas to ensure a constant and even cash flow into the Foundation. Thank You in advance for your contributions and help in these areas.

The Senior Center is always in need of your time and resources.

Please remember your Senior Center when making your final arrangements, and letting your family members know your wishes.
