READ IMPORTANT NOTICES ON FRONT WINDOW

We have tried several different places to post important information, and we unsuccessful, and now we are trying the front window. If we think something is pretty important or a program cancels, or we add a program to the calendar during the month, we will post it there. Please take time to glance at the items each day so you don't miss something.

SECURE SHREDDING EVENT SCHEDULED FOR APRIL 30

We have once again planned a secure shredding event that is free of charge to you, for Monday, April 30, 10:00 -1:00. There is no limit to what you can bring.

This is to shred papers that might contain important personal information, such as old tax filing information, cancelled checks, payroll stubs, paper bank statements, insurance papers, investment papers, etc.

Paper such as newspapers, junk mail, and old greeting cards can be placed in your recycling at your home. This is intended to be for items that need to be ground up and destroyed.

BIRTHDAY PARTY SIGN-UPS; GUESTS TO SIT AT BIRTHDAY TABLE

Each month there is a Birthday Party sign-up sheet at the front table. IF you plan to attend the party and sit at the birthday table, please sign up so the Site Council members know how many to plan for. Those sitting at the birthday table get in line to eat first and get to enjoy the treats at the birthday table. Sign-up, show-up and sit at the table to be recognized for you special day.

THE CENTER WILL CLOSE AT 1:30 ON APRIL 25 AND 26

Susan will be attending the annual Senior Center Administrator's Retreat on April 25 & 26, so it will be necessary to close when Karen leaves at 1:30. Thank you for cooperating!

NEW MEDICARE CARDS WILL BE COMING TO MISSOURI

Starting April 2018, the Centers for Medicare & Medicaid Services (CMS) will begin mailing new Medicare cards to all people with Medicare. Missouri will be among the last group of states that will receive the new updated Medicare cards, and will be after June 2018.

Instead of a Social Security Number, the new card will have a Medicare Number that's unique to each person with Medicare. The new card will help protect identities and keep personal information more secure. Medicare coverage and benefits will stay the same.

Medicare will automatically mail new cards at no cost to the address on file here at Social Security. So making sure the address on file is correct is very important. An address can be updated easily by contacting Social Security, or the APPLE ladies can help you when they are here on Thursdays.

As consumers begin to receive cards, we ask that you share these 3 important tips with them:

*Destroy your old Medicare card right away.

*Use your new card. Doctors, other health care providers, and plans approved by Medicare know that Medicare is replacing the old cards. They are ready to accept your new card when you need care.

*Beware of people contacting you about your new Medicare card and asking you for your Medicare Number, personal information, or to pay a fee for your new card. Treat your Medicare Number like you treat your Social Security or credit card numbers. Remember, Medicare will never contact you uninvited to ask for your personal information
