ST. PATRICK'S DAY LUCKY 50/50 RAFFLE DRAWING ON MARCH 17

The Site Council is once again planning a 50/50 raffle for St. Patrick's day on March 17. Tickets will be sold starting March 1 for \$1 each or 6 for \$5. Wear your green and purchase raffle tickets and come ready to have fun and enjoy a good lunch with friends.

BRAIN FITNESS CLASS OFF TO A GREAT START

The Brain Fitness class will be meeting every Wednesday at 10:30 in the Board Room. The class, led by Carol Dippold, works on memory and cognitive issues by doing paper exercises and communication. The class is free to you. Come and see what it is all about!

BIRTHDAY PARTY DILEMMA

The Site Council plans a monthly birthday activity including Bingo, a special table set for birthday clients who get to get in the lunch line first and birthday cake for dessert. The dilemma is that people sign up then don't come, or we have no one at the birthday table and non birthday people fight over the cake. So, is this an activity the Site Council should continue? The annual surveys are out for client input, so you can include your comment about this party on your survey. You can also talk to any Site Council members or the office staff. Thank you!

RESTROOM REMODEL ALMOST COMPLETE AND WELCOMES YOUR FINANCIAL ASSISTANCE

The bathroom remodel came about from a start-up \$2000 gift from one of our faithful, loyal clients who desired to see the restrooms freshened up and fixed up a bit. This 'start-up' gift got the ball rolling to a \$16,000 complete overhaul. With that said, your financial support of the project would be greatly appreciated. Any amount will help, no matter the amount.

The restroom remodel is being paid for by the Foundation, so your meal contribution money does not go toward the remodel expenses. Your meal contributions go to help buy food, supplies and pay staff, utilities, etc. Thank you in advance for your financial gifts toward this project.

TIGER LILIES WILL BE WITH US ON MARCH 19 FOR LUNCH

The young ladies from the Central Middle School Tiger Lilies will be with us on Thursday, March 19. Please welcome these fine ladies with a hand shake, a smile, an invitation to sit with you and with interactive conversation. They are just delightful and you will be blessed by reaching out to them.

CENSUS 2020 IS VERY IMPORTANT AND YOUR RESPONSE IS VITAL FOR OUR FUNDING

It is once again time for the US Census. The data collected from the Census is very important and directly related to our funding from the Older Americans Act. Every Senior Adult, age 60 and over, NEEDS to complete and return the census form. If you need help please let us know! We will also have the APPLE Project here on Thursdays at 10:30 to help you complete the forms, or they can help complete it online for you. You should have your information by March 12 through the mail. Remember, YOU count... so get the information back to the Census program as soon as possible.

THURSDAY RAFFLE NEEDS HELPERS AT THE TABLE EACH WEEK

The Foundation holds the Thursday Raffle each Thursday as a way to get a little extra income to help with repairs and maintenance of this wonderful building. No Raffle money goes to the Food/Nutrition Program... it all stays in the Foundation. The Raffle is currently without a Chairperson, and hasn't had one since Linda Kern resigned due to health reasons quite awhile ago. The Site Council members have been working the table for months now and would like to have some help selling tickets, displaying items brought in and then drawing numbers.

Won't YOU step up to help with this fun fundraiser? Let us know so we can get you on the schedule to help. THANK YOU!!!

MEMORIAL GIFTS GIVEN DURING THE MONTH

A memorial gift was given in memory of Gerald Johnson by Marlene Cloude.

The Senior Center is always in need of your time and resources.
Please remember your Senior Center when making your final arrangements.
