

## AUGUST 2021 NEWSLETTER

### WELCOME BACK! AUGUST 2 IS DATE OF DINING ROOM REOPENING!

As we welcome each of you back into the dining room, we also welcome many who have never been inside before but were faithful users of the drive-thru service the past 16 months.

If you see new faces, extend a welcome and help others if they need it.

### NEW SERVING TIME IN PLACE FOR REOPENING

The inside dining room service hours will be from 11:00 to 12:30. We're moving serving time up 15 minutes to help get folks fed and on their way if they need to go and it will help spread folks out a little more during the serving time.

### DINING ROOM DO'S AND DON'Ts AS WE RETURN INSIDE

Remember.... NO FOOD OR MILK can leave the building unless you have been approved as a home delivered meal client. See the office staff to get help if needed.

We serve milk as your noon meal beverage, 1 per person, and it cannot leave the building.

### MEALS TAKEN TO HOMEBOUND CLINETS MUST BE APPROVED PRIOR TO PICK-UP

If you know someone that is homebound and needs a meal, you can take a meal to that person, but we must have a reason for why they are homebound and cannot come to the center.

Please see the office staff to get this arranged.

### FUNDRAISING RAFFLE BEGINS AS WE REOPEN

The center has not been able to do any fundraising in 16 months and we can certainly tell it! To kick off our grand reopening, we have a beautiful quilt on display that will be raffled very soon.

We also have been given two beautiful wooden boxes in memory of Von Ridings, by Tootie. Von and Tootie have made and given the center many items through the years and now as a special memorial for Von, we will be collecting raffle money in his memory for a chance to win one of these very special pieces.

You do not want to miss either of these opportunities!! Get your chances now to help support the senior center.

### BIBLE STUDY WILL RESUME IN SEPTEMBER

Following the Labor Day holiday in September, our wonderful Thursday Bible Study will resume. Joey Crosnoe will once again be the leader and you will enjoy this group of people on a faith journey together.

### PAPER SHREDDING EVENT PLANNED FOR SEPTEMBER 20

While August can be so hot and humid, there is no better time than now to plan for the big annual paper shredding event. It will be right here on our parking lot on Monday, September 20 from 10:00-1:00.

Start sorting and gathering all of your papers that need to be securely shredded.

### KENNY HAAS CELEBRATING 100th BIRTHDAY!

On August 17, Kenny Haas will be celebrating his 100th birthday! All of you who have come to know and love Kenny through the years will want to share your best wishes with him. We will be happy to collect your birthday cards for him and we will present them to him on his 100th birthday. There is a box by the office door to place your birthday cards in for Kenny Haas.

### THE OFFICE AND KITCHEN ARE NOT PLACES TO SOCIALIZE AND VISIT

As much as ALL love each of you to death, there is a lot of work that must get done each day and mostly in a timely manner. Please remember that the office and especially the kitchen, are not places to hang around and visit. Folks are working hard to get things done for you, so please be considerate of that.

The kitchen is not a hallway or thoroughfare from the back of the building to the hallway. You do not have on hairnets and the floors can be very slick with water. Please do not use the kitchen to pass from one side of the building to the other.

THANK YOU!!!

#### VOLUNTEERS PLEASE SIGN IN WITH YOUR VOLUNTEER HOURS

For the past 16 months, staff has signed in all of the volunteers each day. Now that the building has reopened, you are once again asked to sign in on the volunteer sheets. Your volunteer hours are very important to the in-kind reporting of work done by volunteers.

Remind each other each day if you have signed in!

#### SCHOOL STARTING: WATCH FOR CHILDREN AND BUSES

As you drive around and through town, please be alert and aware for children that might be darting to and from vehicles. Watch for them as many are shorter than the cars they are walking around.

NEVER try to pass or go around a stopped school bus.
