### THERE IS AN UPTICK IN COVID IN OUR AREA

Are you feeling poorly? Do you have a cough or fever? Have you been exposed to someone who is positive for Covid?

If so, please take a break from coming into the center for a few days. We need to keep other clients healthy, as well as the cooks and other employees.

Thank you for helping!

### SECURE PAPER SHREDDING EVENT AUGUST 25

The annual free secure paper shredding event will be on Thursday, August 25, from 10:00 am to 1:00 pm, right here in our parking lot.

Gather up all important papers that you no longer need (back tax papers, cancelled checks, paid bills, etc.) and bring them here, to our parking lot, to be securely ground up and shredded right on the spot.

There will be someone in the parking lot to help you unload if you need help.

Start now to get your papers together and bring them to the center on August 25. There is no charge for this service.

### BUCK-A-MONTH BOARD STILL TAKING YOUR ANNUAL GIFT OF \$12

We are a little over half-way through this calendar year, but it is NOT too late for you to give your gift of just \$12 to the center's foundation. Everyone's gift of \$12 adds up and makes a difference.

This month alone, a new commercial air conditioner unit had to be installed to help keep you cool, and it was just a few dollars under \$11,000. Your financial assistance helps to provide the upkeep and maintenance on this building.

### HANDMADE RAFFLE ITEMS WILL BE RAFFLED AT THE END OF THE MONTH

We have three beautiful items for raffle right now... A two-pillow set with different pillowcases for all 12 months of the year, made and donated by Katrina Ervin. A handmade clock by Von Ridings, and it is an original design with a high-quality finish. A small wood table made and donated by Glen, who is Tootie's brother.

These items will be raffled off on Thursday, August 25 at noon, but you do not need to be present to win but is helpful so you can choose your own prize, in order, as the tickets are drawn.

Tickets are \$1 each or 6 tickets for \$5. Get your today!

### GIFTS RECEIVED DURING THE MONTH

A memorial contribution was given in memory of Vance Combs by Marlene Cloude and Scott McNeely. Memorial contributions were given in memory of Therm Stull by Richard and Nancy Esposito, Marlene Cloude and Scott McNeely.

### YOUR DONATIONS HAVE MADE A DIFFERENCE

Virginia Ford has recently returned home from a mission trip to Honduras where this senior center made a difference. Your donation of prescription eyeglasses, sunglasses and reading glasses were all distributed to people who attended the medical mission clinic where Virginia served on the team.

242 people received prescription eyeglasses, 333 received reading glasses and 600 pairs of sunglasses were given out. Look at the difference you can help make in someone else's life.

Keep your donations coming so she will have another big supply to take on her next trip.

### SUPPLY CHAIN ISSUES STILL A PROBLEM

We are still having problems getting supplies that we order from wholesale distributors. We make the menu a month or more in advance and order groceries a week or more in advance, so when there is an outage or shortage, we may not be able to get exactly what is on the menu. We are trying!!! When something is out, we try to get a close substitution that would be suitable and acceptable.

Please know we are working on this issue every single day and thank you for your understanding.

### DO YOU LIKE TO CALL BINGO?

We have an ongoing need for volunteers to help call Bingo. From time-to-time we have sponsors who cannot be here to call but will provide prizes for the games. We are always looking for people who would like to help call Bingo on occasion.

If this is YOU, please let us know in the office so we can call if that situation arises.

The Senior Center is always in need of your time and resources.  
Please remember your Senior Center when making your final arrangements.
